

# The Land Pack

At Meridian we have a choice of packages for your business – it's up to you.

Our *Land Pack* is all about helping you and your business reduce its impact on the environment.

As New Zealand's largest electricity generator and a dairy farm owner/operator, we understand that you reap what you sow. Meridian will work with you to help find ways to reduce your electricity overheads. *The Land Pack* gives you the choice of our Variable rates or a Fixed Rate Plan. Our Fixed Rate Plan allows you to lock in the rates for your electricity and lines supply for a specified term.

## WHAT'S IN THE PACK?

- Prompt payment discount**  
 You receive a prompt payment discount of 10% (or 8.5% with automatic recurring credit card payment).
- Various electronic payment options available**  
 We offer a number of different electronic payment options to suit your needs and enhance the sustainability of your business.
- Receive your bills by email or view them online**  
 With *The Land Pack*, you receive your bills by email or by viewing them online at [www.mymeridian.co.nz](http://www.mymeridian.co.nz). Our website can do everything you'd expect – you can check your account and enter a meter reading. There are also some invaluable tips to help your business reduce its energy overheads. If you'd like a paper bill, this can be arranged for just \$0.80 (including GST) per tax invoice, per installation.
- Notification service**  
 We can TXT and/or email you to let you know when your payment is due.
- Variable or Fixed Rate Plan**  
 Our Fixed Rate Plan lets you lock in your electricity rate for a specified term – great if you require longer term financial planning. A variable rate option is also available.
