

Appendix A

Plans

Drawing List

Drawing No. 599	Site layout
Drawing No. 100	Land ownership information
Drawing No. 500	Sheet layout key plan
Drawing No. 501 - 506	General site layout with aerial photo overlay
Drawing No. 511 - 516	General site layout with topographical information
Drawing No. 521 - 526	Plan with longitudinal access road grades
Drawing No. 531 - 536	Plan with access road cross-section slopes
Drawing No. 54	Indicative sections sheet 1
Drawing No. 55	Indicative sections sheet 2
Drawing No. 51	Typical sections for 5m road
Drawing No. 52	Typical sections for 10m road
Drawing No. 61	Typical culvert details
Drawing No. 71	Typical turbine platform details
Drawing No. 550	Overhead transmission easement layout
Drawing No. SK1	Indicative substation layout (Yards)
Drawing No. SK2	Cable installation details
Drawing No. SK3	Indicative Double Circuit Overhead Lines to ROX-TMH 220kV
Drawing No. SK4	Indicative Switchyard Layout
Drawing No. SK5	Indicative Lattice Wind Measurement Tower
Drawing No. SK6	Indicative Guyed Mast Wind Measurement Tower
Drawing No. SK7	Indicative Site Offices Layout
