(Any reasonable instruction includes, but is not limited to, the relevant EVehicle owner's manual, and the instructions for use which are set out at Meridian's EV Charging Stations or on our website (which may be amended by Meridian from time to time)).

You warrant to us that:

- (a) your EVehicle has a current warrant of fitness and registration;

You acknowledge that we are not supervising your use of the Meridian EV Charging Stations and that you are undertaking such use at your own risk.

Privacy

In using the Meridian EV Charging Stations, you may provide certain personal information to Meridian and you agree that any information collected by Meridian may be accessed or collected for use by Meridian or any of its related companies in the course of its business (including direct marketing activities), for the purpose of facilitating the administration of the Meridian EV Charging Stations or promoting products to you that Meridian reasonably believes that you may be interested in.

Meridian may also share your personal information with a limited number of our service providers that provide services on our behalf and may need to access personal information to perform their services. Meridian authorises such service providers to use personal information only as necessary or to comply with legal requirements. Our service providers contractually commit to protecting the security and confidentiality of personal information they process on our behalf.

We acknowledge that you have the right under the Privacy Act 1993 to have access to personal information held by Meridian about you and to request correction of that personal information. Meridian will comply with its obligations under the Privacy Act 1993 with respect to such information.

Liability

Nothing in these terms and conditions shall affect or limit any rights that you may have under the Consumer Guarantees Act 1993 and/or the Fair Trading Act 1986.

This agreement constitutes the entire agreement between you and Meridian in respect of the Meridian EV Charging Stations.

Meridian will not be liable to you for any damage of any kind to your EVehicle whether arising from a failure by you to exercise reasonable care or comply with the requirements of the relevant Meridian EV Charging Station.

Meridian will not be liable to you for any loss or damage to you or your EVehicle unless, and to the extent that, such loss or damage is directly caused by:

- (a) the gross negligence of Meridian; or
- (b) the wilful breach of Meridian of any of its obligations under these terms and conditions.

Loss or damage must be reasonably foreseeable, and not be caused by something beyond Meridian's control (including, for the avoidance of doubt, any act or omission of any third party, any force majeure event or any breach by you of these terms and conditions).

Where Meridian is liable for loss or damage to you or your EVehicle under these terms and conditions, Meridian's maximum liability to you for any single event or series of related events will be limited to \$10,000.

To the maximum extent permitted by law, Meridian will not be liable to you for any other loss or damage arising (whether direct or indirect, special or consequential, pecuniary or non-pecuniary, and whether arising in tort (including negligence) or contract or otherwise) as a result of, or in connection with, your use of a Meridian EV Charging Station or these terms and conditions.

To the maximum extent permitted by law, and subject to this clause, you agree to hold Meridian harmless against any liability, claims, proceedings, costs, expenses and damages which Meridian may suffer or incur as a result of you failing to comply with one or more of the following:

- (a) the requirements of the relevant Meridian EV Charging Station; or
- (b) your obligations under the Health and Safety at Work Act 2015 or associated regulations.

General

This agreement is governed by and must be construed in accordance with the laws of New Zealand. You and Meridian submit to the exclusive jurisdiction of the courts of New Zealand to resolve any disputes arising under or in relation to its subject matter or your use of any Meridian EV Charging Station.
